## **UJA Marie Skłodowska-Curie Postdoctoral Fellowships (PF) Hosting Offers 2022**

### **Invitation to research at the University of Jaén**

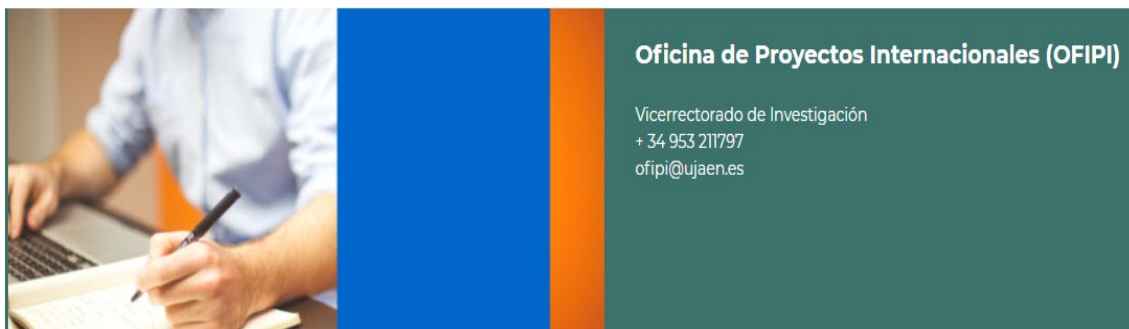

**Dear colleagues,**

The University of Jaén (Spain) is willing to host post-doctoral MSCA-PF 2022 [applicants](https://www.ujaen.es/servicios/ofipi/events/uja-marie-sklodowska-curie-postdoctoral-fellowships-pf-hosting-offers-2022) according to the following potential positions at the UJA (if funding is granted by the EC): <https://www.ujaen.es/servicios/ofipi/events/uja-marie-sklodowska-curie-postdoctoral-fellowships-pf-hosting-offers-2022>.

Our Hosting Offers cover the following **areas of expertise**: Chemistry (CHE), Social Sciences and Humanities (SOC), Information Science and Engineering (ENG) & Life Sciences (LIF).

**Interested applicants (PhD holders)** should send their CV, Motivation letter and Summary of project proposal (250 words) to the UJA potential proposal supervisor by the hosting offer deadline. Please, take into account that only candidates that meet the [MSCA-FP 2022 application requirements](#) (such as the so-called 'mobility rule' or the maximum previous research experience) will be considered for proposal supervision.
