

Greetings!

‘The Way Forward’ is an EULAT 4, Culture Project taken up by the **European Union National Institutes for Culture**, EUNIC Delhi Cluster. The project is a subject of exceptional support from the Spanish government in the context of AECID’s presidency of EUNIC. The principal aim is to explore the intricacies of the increasingly globalised world and to unpack the diversified tools of diplomacy. The EUNIC is Europe’s network of national cultural institutions and organisations with 36 members hailing from all EU member states and associated countries. The stakeholders involved in this project includes: Instituto Cervantes, Alliance Française, Liszt Institute, Instituto Camões, Pro Helvetia, Embassy of Brazil, Embassy of Chile, Embassy of Colombia, Embassy of Costa Rica, Embassy of Dominican Republic, Embassy of Mexico, Embassy of Spain, Embassy of Peru, Embassy of Uruguay, Latindia, Indian Institute of Social Sciences and Global Youth (all based in India). The project connects Indian, Latin American and European youth to diplomats and key experts for mutually insightful discussions, which in turn will lead to a better understanding between India and Latin American Nations with Europe acting as a catalyser.
