Workshop on Open Science and Open Education

E³UDRES² Ent-r-e-novators project

Date 7th June 2024

Time 09:00 – 13:30 (WEST) ; 10:00 – 14:30 (CEST)

Place Polytechnic University of Setúbal (IPS), Setúbal, Portugal, ESCE/ESS, Room C1.13 and online (ZOOM)

Workshop on Open Science and Open Education

E^3UDRES^2 Ent-r-e-novators project

Friday, June 07, 2024, 09:00 - 13:30 (Portuguese Time; CEST+1h), *hybrid*

MARE - Marine and Environmental Sciences Centre, MARE-IPS
Polytechnic University of Setúbal (IPS), Setúbal, Portugal
ESCE/ESS, Room C1.13 and online ZOOM (*LINK*)

Register here (free): *REGISTER*

09:00 - Opening Workshop and Welcome
  E³UDRES² Ent-r-e-novators project introduction

09:05 - Luís Coelho, Polytechnic Institute of Setubal
  E³UDRES² Ent-r-e-novators project introduction and main results achieved so far

09:20 - Karel Luyben, European Open Science Cloud Association
  European Open Science Cloud

09:35 - Silviu Vert, Politehnica University of Timisoara
  Digital Tools for Open Science

09:50 - Radu Vasiu, Liviu Marsavina, Politehnica University of Timisoara
  Experiences of Open Science and Open Access in UPT

10:05 - Tassilo Pellegrini, St. Pölten University of Applied Sciences
  Management of open licences as a building block of open science initiatives

10:20 - Panel discussion: Speakers, Diana Andone (moderator)

10:35 - *Coffe-Break*

10:50 - Sílvia Roda Couvaneiro, Polytechnic Institute of Setúbal

Open pedagogies and emerging technologies

11:05 - Diana Andone, Politehnica University of Timisoara

The impact of generative artificial intelligence on open education

11:20 - Sarah de Coninck, UCLL,

Tensions between Open Science and Citizen Science: ethical considerations

11:35 - Antónia Correia, Minho University

Open Science Requirements in Horizon Europe Programme

11:50 - Joana Boavida-Portugal, MARE

Data integration platform at ARNET Associated Laboratory

12:05 - Panel discussion: Speakers, Marta Frade (moderator)

12:15 - *tbd*, INCITIES Project

INCITIES Project *presentation* (*tbd*)

12:30 - Michelle Perello, Consulta Europa (EXPER project)

"EXPER project: open science practices to trigger R&I in remote regions"

12:45 - Irina Lungu, Gheorghe Asachi Technical University of Iași (TUIASI) and Marcello

Constantini, D'Annunzio University of Chieti (BI4E Project)

Boosting Ingenium for Excellence (BI4E): Building the CONNECT Platform - A story of success

13:00 - Jan-Hendrik.Korber, Turku University of Applied Sciences, (WATERLINE Project)

Enabling PAN-European education through interactive digital technologies – first insights from the WATERLNE project

13:15 - Panel discussion: Speakers, Maria Catarina Paz (moderator)

13:30 - Closing and certificates
